

Welcome Letter for the Equine Specialist in Mental Health and Learning Workshop

Greetings PATH Intl. ESMHL Workshop & Horsemanship Skills Test Participants!

The upcoming PATH Intl. Equine Specialist in Mental Health and Learning Workshop and Horsemanship Skills Test hosted by Dream Catchers at the Cori Sikich Therapeutic Riding Center (Toano, VA) is right around the corner. We are looking forward to welcoming you all to the farm for a valuable educational experience.

Please find the attached registration packet and additional schedule information for the workshop. The workshop will begin on June 9, 2021 at 8:00 AM and end on June 11, 2021 at 5:30 PM. Horsemanship skills test candidates will have an opportunity to ask questions from 5:00 PM to 5:30 PM on the third day of the workshop and then you may walk the obstacle course. The Horsemanship Skills Testing will start at 8:00 AM on June 12, 2021. You will not need to be onsite all day on skills test day, only around an hour from the time your test is scheduled, although you are welcome to come early and quietly others do the obstacle course part of the test. Please let us know if you are traveling a far distance or need to work around flight arrangements so we can take that into consideration when assignment your test times.

All workshop and skills test participants should bring a copy of the PATH Intl. ESMHL Certification workbook, downloadable from the PATH Intl. website. This workbook should also be reviewed prior to attending the workshop, especially with Criteria for the Horsemanship Skills Test and the Obstacle Course map. Additionally, please come prepared to work around the horses, with closed toe shoes and weather appropriate clothing.

Breakfast, lunch, and beverages will be provided June 9, 2021 through June 11, 2021. Snacks will not be provided on Skills Test Day; however, we will provide water. If you have any dietary restrictions that you did not note on your registration form, please let us know so we can account for you accordingly.
