

## *Leave a Legacy to Help Future Generations "Ride On"*

There is a very special place where children and adults with special needs in Tidewater Virginia achieve their dreams.

Founded in 1993, Dream Catchers at the Cori Sikich Therapeutic Riding Center is a Professional Association of Therapeutic Horsemanship International (PATH Int'l) Premier Accredited Center.

Dream Catchers provides 100 life-changing equine assisted activities and therapies each week. Miracles happen every day – from the first word spoken by a nonverbal child to the freedom felt by riding high on a horse instead of using a wheelchair or walker.

## *Ways to Give*

- Gifts through wills and trusts – a provision in your estate plan that designates a donation to Dream Catchers from your estate
- Life insurance – Dream Catchers could be the beneficiary of your life insurance policy

- Charitable Gift Annuities / Trusts – Irrevocable gifts, which can provide you with income for life and tax benefits now.
- Donor - Advised Funds ("DAF") – a "charitable savings account" which allows donors to make charitable contributions to their DAF accounts, receive immediate income tax benefits, and later name the charity(ies) to receive the funds

Charitable designations from thoughtful individuals who include us in their estate plans will mean that the next generation of children and adults with special needs will receive services at Dream Catchers.

Gifts of all sizes are welcome, and your commitment can be with "today's dollars" or through "future dollars" and estate planning.

## How Your Gift Makes a Difference

Each year, we rely on donations to support two-thirds of our operating budget. Behind every participant who experiences joy at Dream Catchers is a team of certified instructors and well-trained volunteers with hard-working horses in a state-of-the-art facility. Your gift helps to support these critical elements to create a safe place where people with special needs feel welcome and find success.

- \$2,000 feeds a horse for one year
- \$2,600 funds a student scholarship for a year
- \$5,000 sponsors a therapy horse for one year
- \$13,000 provides general veterinary care for the 13 horse herd for one year

Your gift and support of Dream Catchers at the Cori Sikich Therapeutic Riding Center will provide funding for future generations of children and adults with special needs, leaving a lasting impact on the students, their families, our heroic horses and beneficial programs.

Dream Catchers is a 501 (c)(3) non-profit organization that depends upon the generous support of the community and countless volunteer hours to fulfill our mission.
