## Dream Catchers hosts riding, vaulting camp

Dream Catchers at the Cori Sikich Therapeutic Riding Center hosted a riding and interactive vaulting camp this week for young riders ages 9 through 13. Instruction provided by Ashley Smith Ragans, a PATH Intl. certified riding and vaulting instructor and equine specialist, is featured in this photo, along with "Heidi," Dream Catchers equine vaulting specialist, and this year's campers and camp counselors. In addition to lessons, campers explored possibilities to become junior volunteers.
